SIR,

With reference to Govt. Order No. G.312-13/Cens.13-31-10 dated the 11th July 1932, approving that out of 500 copies of the Census Reports part II Tables for 1931, meant for the use of the office of the Census Commissioner for India and the other offices of the Government of India, 200 copies of the book may be handed over to the Government Book Depot for sale to the public, I have the honour to state that during the past ten years, only 26 copies of the previous edition of the book have been sold or supplied free to the several offices.

In these circumstances, I beg that only 25 copies of Census Reports part II Tables for 1931, may kindly be ordered to be supplied to this Depot for sale to the public in view of the fact that there is no demand for the book and no room available in this office to accomodate such large quantities of stock.

I request that sanction may kindly be accorded to the above proposal ~~suggestion~~.

Sir,

I have the honour to invite attention to correspondence ending with G.O. No. G.312-13/Cens.13-31-10 dated 11th July 1932 regarding copies of Part II, Tables of the present Census and to the letter of the Superintendent, Government Printing in Mysore, No. 197-8/72 dated the 13/14th July 1932 addressed to you (a copy of which has been sent to me for information) requesting, for reasons stated therein, that only 25 copies of Part II of the Census Report may be sent to the Government Book Depot for sale to the public. It does not seem desirable to reduce the stock in the depot to 25 copies. The number may be fixed at 100 and the other copies distributed to District Offices in the various Departments. I request that sanction of Government may be kindly obtained to this course and the distribution of 69 copies to various offices as below in the first instance. In regard to other copies available for distribution requisitions will be called for from Heads of Departments.
